

Canyoning Experiences

BARILOCHE, ARGENTINA

Half Day Canyoning (5hs)

Season: year-round

Begin with a 35 minutes' trekking to reach a 90 meters drop that will descend later along the cannon using different techniques. You will pass through waterfalls, toboggans with railways and some long and rugged grading before reaching an amazing deep pit of crystalline water, 4 meters far. Then, you will make rappel at Vasco Cascade which has about 45 meters.
